An IRS 501(c) 7 Social Club

This Brochure includes a Membership application for the Southern Nevada Casino Collectibles Club. The SNCCC is a social club bringing together collectors of Casino Memorabilia, promoting the hobby and provide an enjoyable setting for our members .

We are an IRS 501 (C) 7, a Social Club.
We incorporated on February 24, 1998.
Currently, our meetings are held at the El Cortez Hotel and Casino 600 E Fremont St, Las Vegas 89101

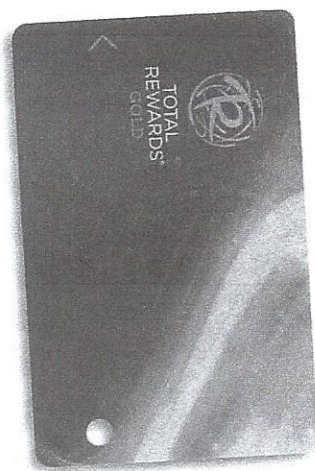

We meet on the **SECOND TUESDAY** of every month starting at 6 PM. The doors open as early as 6PM and trading, buying and selling of casino collectibles go on before, during and after the meeting. We usually have a guest speaker, a raffle and an auction. Guests are always welcome free of charge.

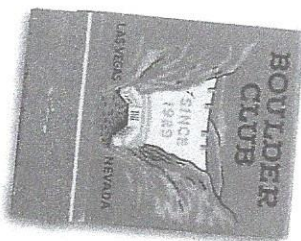

Casino collectibles have been around as long as casinos have but it wasn't until the 1980's that collectors began talking with each other on a regular basis and dealers developed that concentrated on casino material.

Before the 1980's, chips and tokens could be found outside of casinos only as oddities: a few chips or tokens mixed in with a coin dealer's stock, or a few chips at an antiques shop or garage sale.

The hobby has expanded exponentially into literally every aspect of gaming in America and in fact across the entire world. No item is too small or too large to be a "collectible" if it has an identifiable logo or casino name on it!

Items that have become collectible include poker chips; casino chips; antique gaming chips; dice, match books, ashtrays, postcards, napkins, coasters, menus, plaques and silver strikes. Nothing is out of bounds and people do, in fact, collect things that the average person would simply say, "YOU ARE KIDDING!" Table layouts for roulette, blackjack and craps, actual signs from the casinos, the glass fronts to slot machines, and of course the slot machines themselves are also highly collectible.

Please join us at a future meeting!
